Marking grid	Wtg	Comments	Overall
<p>Project Planning Documents:</p> <p>Specific Management Product Deliverables, assessed on accuracy of completion, diligence and use to manage the project:</p> <p>Project Brief; Business Case; Project Plan etc; PBS; PFD; Product Descriptions; Timesheets and costs Issue, risk and quality registers</p>	50	Well managed project, though not clear how many iterations you plan. Generally excellent presentation though not clear why PBS and PFD are separate from PDs. Time summary missing?	Very good
<p>Group Presentation:</p> <p>Quality of slides, delivery, answering questions; timings, overall comprehension, ease of understanding etc.</p>	15	See separate scanned sheet	Very good
<p>Individual contribution to group work. Allocated by group members</p>	10	0-10 individual mark allocated by group	7
<p>Explanation and justification of individual allocation by the group</p>	5	Good basis for allocation - but if result is 7 each, why bother?	Excellent
<p>Individual reflection</p> <p>Honesty and accurate reflection of events, Reflection on group dynamics, communications, resolving problems etc. Overall management of whole project</p>	20	Well structured with some excellent insights into issues and how they could be addressed. Extensive reading around the subject too!	Exemplary
Overall total	P5 - Very strong work (74/100)
