Professionalism of presentation and delivery				X		
The quality of the slides				X		
Timings			X			
Answering questions			X			
Overall comprehension and ease of understanding			X			
Engagement of whole group			X			
Overall			X			

Feedback

Areas the group did well

Good spread of work across the team.

Ideas for improvement

$\frac{2}{3}$ Amount of data on slides is too much to understand.
Think about the message you want to give to the audience rather than telling them what you did!
