Bruce Ryan
 After lots of trams, ended up here. This beer is worth drinking. (Hofbrau dunkel at lunchtime wasn't. HORRIBLY, PUTRIDLY sweet. Avoid at all costs). But Paulaner Dunkel very drinkable indeed — with Eleanor Emberson at S'Wirtshaus am Sendlinger Tor.

If you are still in the vicinity of the Sendlinger Tor tomorrow you must visit the Asamkirche on Sendlinger Strasse. It's a church with an astonishing interior.

Eleanor Emberson We went to the Deutschesmuseum, **Paul**, and were so fascinated that we had to walk very briskly across the city to be in time for our train! Now at Schwangau with plans to go to Neuschwanstein tomorrow. Will try to get to the Asamkirche on the way back through Munich.
